

Order through your shop's app

Point your phone camera at the code to open the guide: sign-up, ordering, notifications and pickup.

space for the shop logo and name

While you're here, let's set things up in a minute:

- ☐ App icon on your home screen
- ☐ Notifications for ready orders
- ☐ Email in your profile as a backup sign-in
- ☐ The PIN code is only for signing in to the app – never forward it

Just ask — we'll help right now.
